Equal & Effective Communication For All

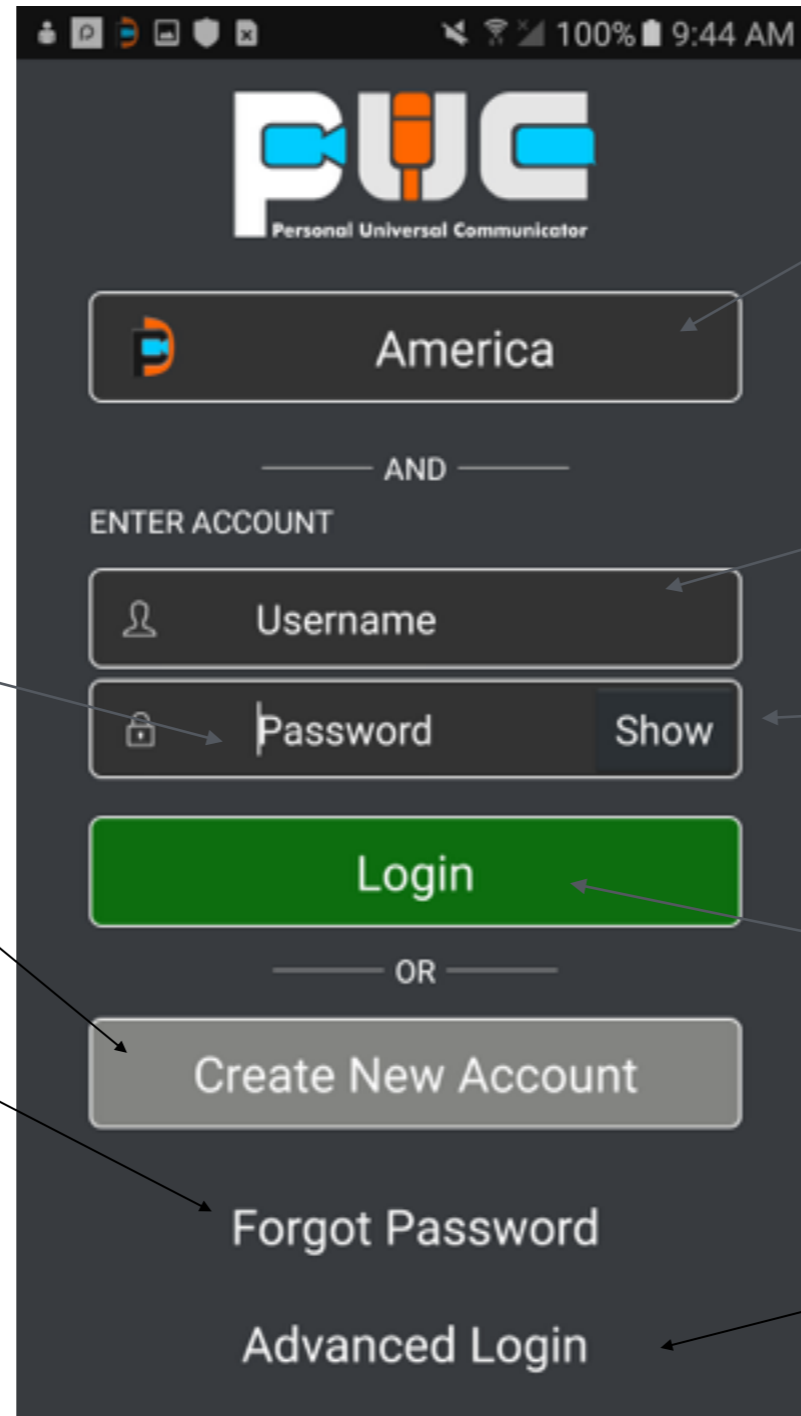

Quick Guide  
PUC  
Android Phone

# Login Screen

## Instructions

1. Select your Provider
2. Enter your Username
3. Enter your Password
4. Click Login to start using PUC!

The screenshot shows the PUC (Personal Universal Communicator) login interface. At the top is the PUC logo with the tagline 'Personal Universal Communicator'. Below the logo is a dropdown menu currently set to 'America'. Underneath is the text 'AND' followed by 'ENTER ACCOUNT'. There are two input fields: 'Username' and 'Password'. The 'Password' field has a 'Show' button to its right. Below the input fields is a large green 'Login' button. Underneath the 'Login' button is the text 'OR'. At the bottom, there are three links: 'Create New Account', 'Forgot Password', and 'Advanced Login'. The status bar at the top of the phone shows 100% battery and 9:44 AM.

1. Select Provider

2. Enter your Username

3. Enter your Password

Click to SHOW your password

No PUC account? Create a new account

4. Click Login to start using PUC!

If you forget your password, click 'Forgot Password'

Click on 'Advanced Login' for a special configuration

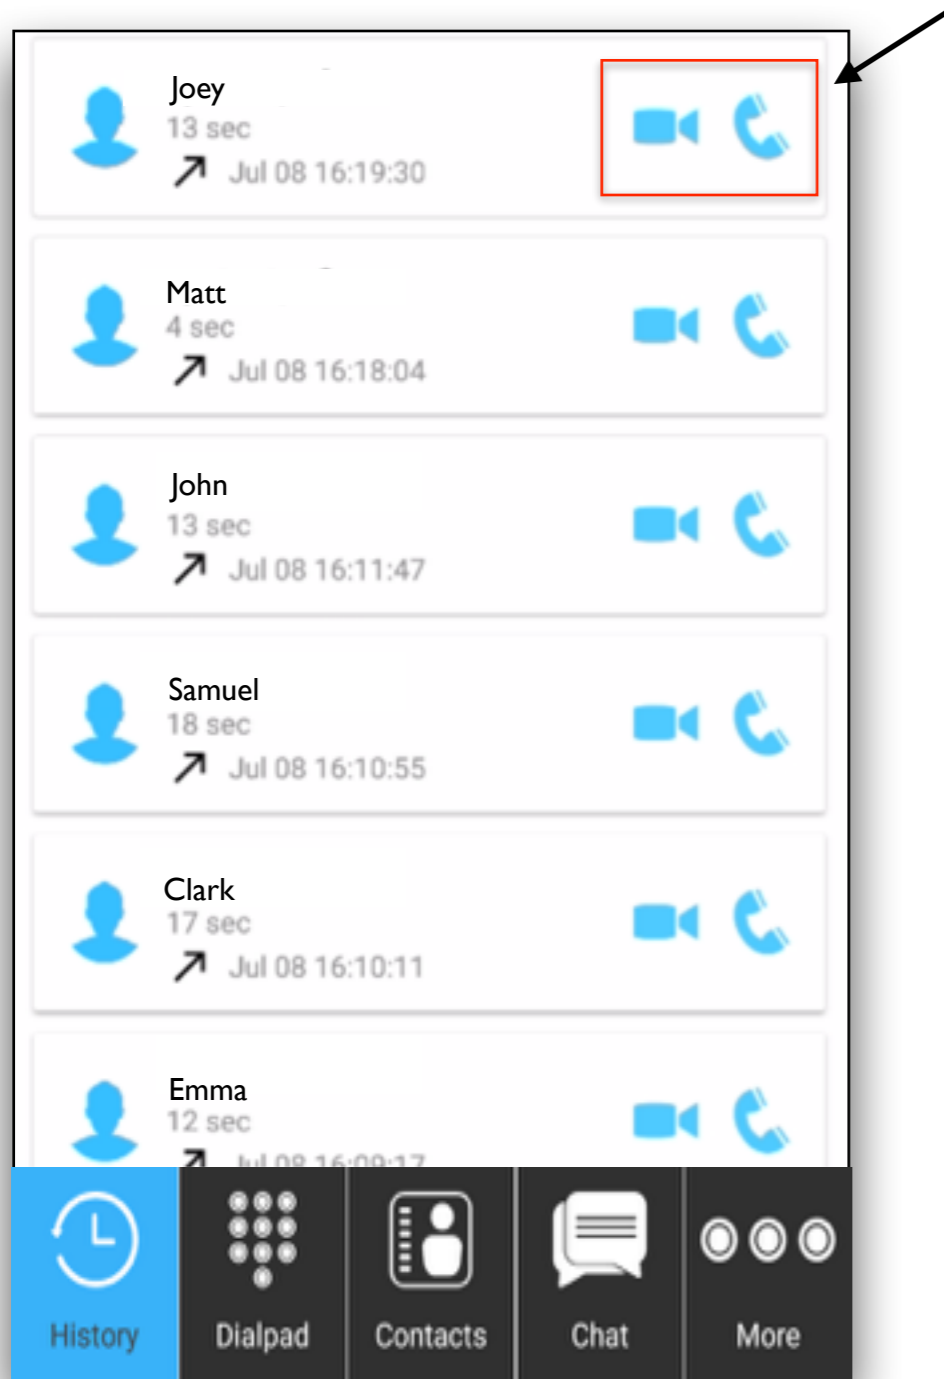

**Tips:** Username and Password are case sensitive.

# Dialpad Screen

## Call History

Tap on **HISTORY** icon. You will see all of your phone calls that you have made, received, or missed call. Click on a person's name on the list you want to call back via video or audio buttons (see 'camera' or 'telephone' icons below).

## Add a Contact

A. Click on **Contacts** icon. You will see your contact list.

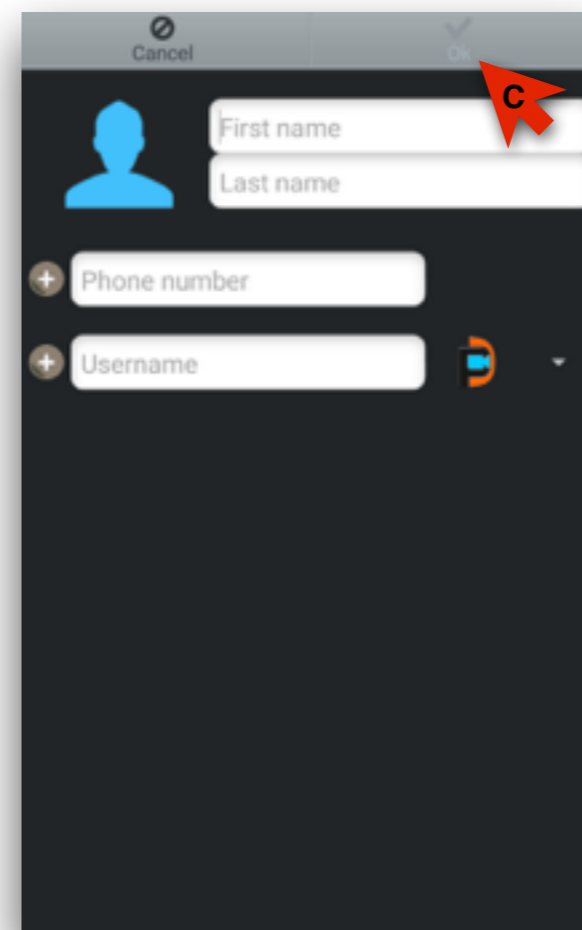

B. To add a contact, Click on **Add Contacts** icon on upper left corner of the screen.

**Note:** If you see the icon  in your Phonebook, that means your contact has a PUC app.

C. Fill out all required fields. Once done, click **OK** to save.

**Tip:** If you click on blue avatar on upper left, you can customize the contact's image!
